Inspired by the same design philosophy which pivots around simplicity and honesty within the Afterroom series, the Afterroom Coat Hanger also draws its references from Bauhaus and Modernism. The coat hanger is a simple yet sophisticated hanging system for coats, clothes or accessories and is easily fixed to the wall, with all screws hidden to compliment the minimalistic and clean aesthetic.

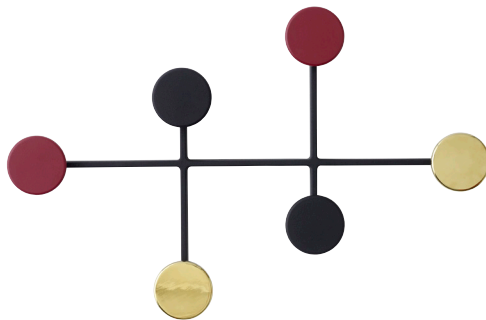

About the Designer

Afterroom is a Stockholm-based design studio, respecting wear and tear and the passage of time. Founded and directed by Hung-Ming Chen and Chen-Yen Wei, the studio's mission is simply to create beautiful products which will increase in value with the passage of time - design with which one can grow old. The inspiration derives from an intriguing interest in forms, senses, proportions, materials and cultures. The philosophy pivots around simplicity and honesty.
