by Norm Architects

# Norm Wall Clock

The minimalistic Norm Wall Clock, with its clean lines, embodies the classic simplicity of Scandinavian design. The clock, reduced to the most essential elements, is the latest in a series by Copenhagen studio Norm Architects. In the age of smartphones, Norm's co-founders Kasper Rønn and Jonas Bjerre-Poulsen are on a mission to bring about the renaissance of the wall clock. Available in brass or marble.

## About the Designer

Established in 2008, Norm Architects are on a mission to make city living better, one product at a time. The multidisciplinary Danish studio, founded by architects Kasper Rønn and Jonas Bjerre-Poulsen, focuses on residential architecture, commercial interiors and product design.

## Notes to Editor

MENU is a Scandinavian design brand with a simple philosophy; to make the world better, less complicated and a little bit nicer to wake up to. MENU collaborate with super-talented international designers, to produce high quality design with a crisp Scandinavian look. Menu work with local craftsmen from around the world to preserve traditional skills, whilst creating objects which are timeless and can be treasured for a lifetime. Composed of lighting, furniture and accessories, the MENU collection provides clever solutions for modern living.
